Quilts Exhibits from Across the US and from the UK

Tuck Twiddle, Roll & Fold

Presented by
Jennie Rayment

From embellishment and manipulation, origami & geometry, abstract and formal, this is material magic! Many of Jennie's

quilts feature her novel and intriguingly different techniques from Interlocked Shapes, Bias Effect, Inserted Shapes, Trumpets, Fancy Fandangoes and more. More details see www.jennierayment.com

Noble Seasons "FALL"

Fall is the season when one takes stock, gives thanks and appreciation for all the wonder that has come into our lives.

In the Fall the earth cries with color, the scarlet of trees & yellow tint of the cornfields.

Much like the artist providing thanks in the form of their creative endeavors.

Funny Story Quilts

Presented by
ellen edith

Small quilts featuring hilarious true stories about my wacky family.

Food for Body and Soul

By Judy Howard
and Nationwide
Quilt Artists

All profits from exhibit rental go to feed starving children.

Thread Tails & Vapor Trails

A challenge to create quilt squares with a Naval Aviation theme to commemorate the Centennial of Naval Aviation.

Discovery: A Collection of Quilt Art for Gallery

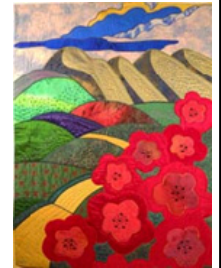

Presented by
Quilts on the Wall:
Fiber Artists

Each of these finished pieces in this challenge collection is an original design created by our artist members and represents their unique interpretation and is a statement about 'Discovery'. Discovery is defined as finding out or ascertaining something previously unknown or unrecognized.

The Embellished Path

Presented by
Rose Hughes
RavenSpeak Quilts

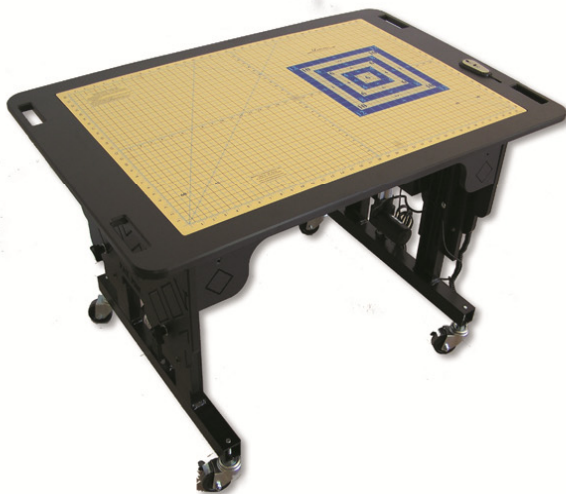

This exhibit expresses Rose's favorite finds she has discovered on this E-ticket ride, ("E" for embellishment!).

Find methods used in these quilts and other in Rose's two books, Dream Landscapes & Exploring Embellishments.

On The FREE Fashion & Presentation Stage

Never Trace Another Design presented Mary Pierson—Original Creations
Thursday ONLY 11:00 am—12:00 pm

With Transfer-Eze, you just copy, peel, stick, stitch and rinse away. Great way to save time for hand or machine embroidery, quilting, punchneedle, 'non-counted' cross stitch and more. Works great for needle turn appliqué and wool felt. Let Mary show you how to save time and by-pass the tedious tracing and get right to the fun!!! Once you use this fabulous product, you'll never go back. Everyone who attends will get a sample to use.

Barbs' Fabulous Fashion Show
presented by Barb Callahan—Barb Original's
Thursday, Friday & Saturday 12:30 pm—1:30 pm

Come and see Barbs' garments that are easy and quick to make but are very stylish and create a slender illusion. Her easy surface design techniques will intrigue the eye and add to the illusion.

Rocket & Roll it Project Pzzazz
presented Special Guest Quilting Artist and Lecturer
Jennie Rayment - The Muslin Mistress
Friday & Saturday ONLY 2:00 pm—3:00 pm

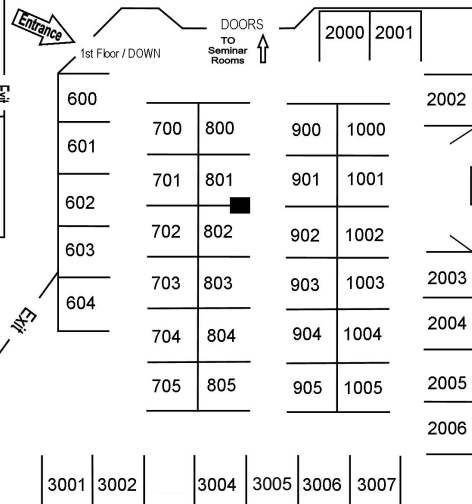

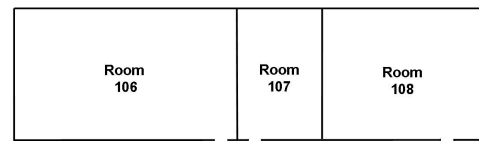

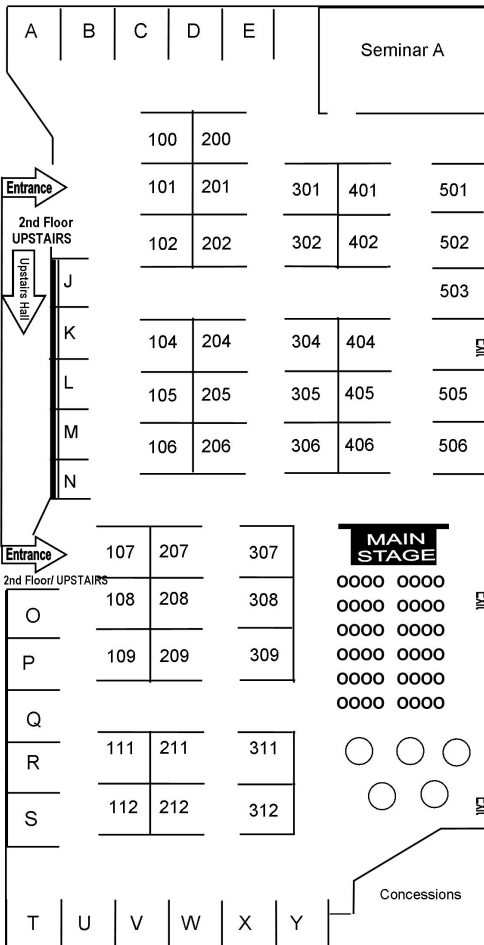

Look, listen, learn and laugh as Jennie Rayment romps through her diverse world of material magic and 3D design. All Show and Tell and a bit of Strip to boot!
